GUEST ROOM AMENITIES GUIDE

Thank you for choosing to stay at Avesta Hotel. We hope you will have a pleasant and rewarding stay with us. In order to make your stay as comfortable as possible, we take the pleasure to introduce to you the amenities available to you in your room.

Hisense Television Set:

Your TV is located in front of your bed, safely fixed on the wall at a convenient height to facilitate convenient viewing. We provide a Remote Control, which you may use to turn on the TV and select Programs of your choice. Please use the SOURCE button on the Remote Control to select between Local Channels (DTB) and International Channels (AV). You will enjoy more than 20 local channels and up to 8 international channels that cover News, Kids programs, Movies and Nature programs. We may also play a movie of your choice if you provide it to us on a DVD or flash. Please call the reception on 100 for more details.

Telephone

While in your room, you are able to communicate with almost everybody within the hotel. You may do this by using your telephone set that is located on top of one of the bed side drawers. You may call the reception, Bar, restaurant, Kitchen, Security, Sauna Reception etc. In addition, you are able to make local, regional and international calls through the operator at the reception. A guide to the use of telephone is included in the Guest Pack within your room.

Lighting

The lighting in your room was designed to provide for a variety of moods. You may choose between day-light, warm light and romantic light. Please use the switches besides your beds to select the kind of light that you prefer. The lights in the bathroom can equally be adjusted by switching on and off to toggle between clear light and coloured light. In case you need a change of mood in the corridor lights, please call the reception on 100.

Air Conditioning (AC)

Your room is fitted with an air conditioner mounted on the wall. A remote control is provided to help you turn it on and set it to the temperature level and mode that you prefer. Please call the reception in case you need assistance on using the remote control. We

encourage you to use the Air conditioner to avoid opening windows which may give an opportunity to mosquitoes and other insects to enter into the room.

Mosquito nets

Mosquito nets are fitted in some rooms while other rooms are left free. Please feel free to request in case you need a mosquito net in your room. Our staff will assemble it in 5 minutes. You may also request for a mosquito repellent in case you don't feel comfortable sleeping inside a mosquito net.

WIFI

Avesta hotel provides WIFI as a complimentary service to our guests. Please contact the reception for the access code in case it has not been provided to you while checking in.

FOOD and DRINKS

We provide a range of foods and drinks, please feel free to check our options on the Food and Drinks sheets provided your room. Feel free to contact the reception for any additional information. You may opt to move and have your meal from the restaurant or ask the waiter to bring to you in your room. A small surcharge is applicable for room service.
